Part 2 – EXPECTATIONS OF GREATER PETERBOROUGH CHAMBER OF COMMERCE (GPCC) DIRECTORS

The Board of Directors is the policy making body of the Chamber of Commerce and as such, the major force for the Chamber. Our Board Members represent a broad cross-section of the business and professional leadership of the community.

Directors are elected for a two-year term (terms run January-December), with restriction to two terms or a total of four years. At the end of that time, the Director will either retire from the Board or progress to the Executive, based on the recommendation of the Nominating Committee. Terms for Directors on the Executive are: 2 years as a Director-At-Large followed by 1 year each as Treasurer, Vice Chair, Chair and Past Chair.

Each Director is very important to the Board, so an understanding is in order about each Board Member's responsibilities upon election.

As a member of the Board, a Director acts in a position of trust for the business community and is responsible for the effective governance of the organization. A Director is required to sign a Confidentiality Agreement prior to attending their first Board meeting.

It is imperative that potential Board of Directors members understand expectations of a Board member and that their employer supports the time and costs associated with fulfilling those expectations.

Please read and fully consider the following List of Expectations:

1. A commitment to the work of the Chamber.
2. Being informed of the services provided by the Chamber of Commerce and publicly supporting them.
3. Attendance and participation at the Annual General Meeting.
4. Attendance and participation at each regular or special Board meeting; typically the Board meets the third Tuesday of the month for approximately 1.5 hours.

5. Properly preparing for Board meetings by reading the materials provided in advance.
6. Being aware of, and abstaining from, any conflict of interest.
7. Being accountable to the members for the service provided and funds expended.
8. Establishing, with the Board of Directors, overall long and short-term goals, objectives and priorities for the Chamber in meeting the needs of the business community.
9. Monitoring and evaluating the effectiveness of the Chamber of Commerce through a regular review of programs and services and bringing forward the concerns of the business community.
10. Performing such duties as may be requested from time to time by the Chair and /or Board of Directors.
11. Fostering a positive working relationship with other Board members and the Chamber of Commerce staff.
